## COMMENTS FROM THE CONFERENCE:

- "Excellent logistics overall and great quality subjects. I also appreciated the human aspects and frequent reminders of the sensitivities, trigger warnings, and general acknowledgement that this community does not take their work lightly. I am truly touched!"
- "Love and appreciate you guys! Still learn every year!"
- "Thanks! It was super helpful to a family exploring fostering and adoption."
- "The tables provided great exposure and information. The sessions we attended were great. The staff was delightful!"

## CONFERENCE FAVORITE SESSIONS:

- **Former Foster Youth:** "First time being able to hear from the a foster child's perspective. It was insightful to hear what was most helpful for them."
- **Adult Adoptee Panel:** "Powerful to hear first-hand accounts to help empathize with children opposite us in the fostering/adopting equation."
- **Routes to Adoption:** "After talking with all the booths, it really clarified the different processes and put good perspectives to each."
